

**PDMC
NEEDS**

**YOU -
OUR
PARENTS**

**PLEASE
HELP!**

- We are currently running an unsustainable budget deficit.
- Without action PDMC will be gone in three years' time.
- We urgently need to raise significant funds or else reduce provision.
- We also need to raise our profile, mount a vigorous publicity campaign and make far more effective use of social media.

So we need to harness your skills, ideas and assistance.

**To understand the existential challenges that we face
and to discover how you may be able to help
..... please come along to an Open Parents Meeting
to follow a very short AGM
at 7.00 p.m. on Friday 24 March at St Thomas More School**
